Acknowledgement and Release

- I affirm that my child/ward's participation in VINS Nature Camp is voluntary and understand that participation in VINS Nature Camp activities including swimming, hiking, archery, camping, boating, and other activities involves inherent risks, known and unknown, which could result in injury, illness or death. I acknowledge that the activities and their associated risks are inherent to the VINS Nature Camp experience and without them the program would lose its essential character and value.

I also understand that, despite safety precautions VINS Nature Camp cannot guarantee that my child/ward will not be injured. I am willing to assume these risks.

- I, for myself and for my heirs, personal representatives, and assigns, and each of them, do hereby forever release and fully discharge the Vermont Institute of Natural Science, and its officers, agents, volunteers and employees, affiliates (including all 2019 VINS Nature Camp partners), representatives, successors, and assigns, from any and all actions, causes of action, claims, costs, damages, demands, fees, and/or liability of any kind, nature, or descriptions whatsoever, whether known or unknown, arising out of or in any way related, whether directly or indirectly, to participation in any VINS Nature Camp program, including, but not limited to any physical injury, psychological injury, or loss of life or personal property that may occur as a result of participating in this program.
- I understand and accept the terms of VINS Nature Camp's Behavior Code and policies regarding behavior and discipline issues, outlined in the parent handbook, and believe that my child/ward can meet the expectations for safe and successful participation as detailed. Additionally, I understand that failure to abide by VINS Nature Camp Behavior Code may result in dismissal from the program with no refund.
- I grant permission for my camper to participate in field trips to properties not owned or managed by VINS but that are either open to the public or that VINS Nature Camp has received permission to visit.
- I grant VINS and its 2019 camp partners (if applicable) permission to use photographs of my child participating in camp-related activities for publication in promotional materials, including but not limited to brochures, flyers, newspaper advertisements, social media, and the VINS/program partner's website.

Medication Policy Acknowledgement and Release

- In all cases, the term “medication” refers to a medicine has been prescribed by a licensed physician or that is taken by the camper on a regular basis and is needed to maintain the health and well-being of the child during the duration of the camp.
- In all cases, the term “administration” is equivalent to camp staff maintaining possession of the medication and/or placing it in a secure location until the time it is needed. Camp staff remind campers at the documented time and will give them the medication container. The camper must be able to identify the shape/color of their medication and be able to take it on their own.
- I give permission to the staff of the Vermont Institute of Natural Science Nature Camps to administer to my child/ward the following medication(s):

- I understand that it is my responsibility to give my camper’s medication directly to VINS Nature Camp staff. I understand that all medications must be in their original containers either in individual dosage containers (blister packs), or in original prescription bottles and must be labeled with the following information:

- | | | |
|--|---|---|
| <input type="checkbox"/> Name of camper | <input type="checkbox"/> Dosage | <input type="checkbox"/> Prescribing Doctor |
| <input type="checkbox"/> Medication | <input type="checkbox"/> Time of day to be given | <input type="checkbox"/> Doctor’s phone number |

- I understand that measurement of medication dosage is not the responsibility of camp staff and my child must come to camp with the medication pre-measured for the correct dosage.
- I hereby acknowledge that the above information provided for the administration of medication for my child/ward is accurate. I also understand that it is my responsibility to inform VINS Nature Camp staff of any changes in the dispensing of medication.
- In all cases, any changes to medication or dosing need to be made by completing a new Camper Medication Information, Permission, and Waiver.
- My child/ward knows how to properly use their own Inhaler/EpiPen and has been instructed not to show or share it with other campers. _____(Initial)
- In all cases, the recommended dosage of any medication will not be exceeded. If after administering medication there is an adverse reaction, I give my permission to the Vermont Institute of Natural Science to secure from any licensed hospital physician and/or medical personnel any treatment deemed necessary for immediate care. I agree to be responsible for payment of all medical services rendered.
- I recognize and acknowledge there are certain risks of injury/illness in connection with my child/ward’s medication. In consideration of the Vermont Institute of Natural Science’s administering medication to my child/ward, I do hereby fully release or discharge the Vermont Institute of Natural Science, and its officers, agents, volunteers and employees from any and all claims from injuries, damages and losses I or my child/ward may have (or accrue to me or my child/ward), and arising out of, connected with, incidental to, or in any way associated with the administering of medication.
